Corporate Snapshot

Established in Dubai in 2008, we have grown rapidly, expanding over 30% annually. With a strong presence across the GCC, Iraq, India and Africa we supply specialty and industrial chemicals to key sectors like Oil & Gas, Paints, Construction, Paper, Power and Metals.

Our advanced infrastructure includes strategically located branches, the cutting-edge AquaChemie Terminal for bulk distribution, specialized manufacturing plants, and an extensive supply chain network, ensuring seamless operations.

Supported by 250+ industry specialists, many from global giants like GE, Shell, ExxonMobil, Schlumberger, and SABIC, we offer expert field monitoring, analytical services, and tailored chemical programs, all driven by safety, integrity and quality.

Strategic Alliances & Commitment to Excellence

We are more than a supplier - we are strategic partners in value creation. Through strong alliances with global manufacturers, we deliver cutting-edge technological solutions while upholding the highest standards of quality, service, and safety within a stringent EHS framework.

Sustainability and responsible business practices drive our operations, reflected in our active ESG initiatives and contributions to ICV programs, including IKTVA and Local Content in KSA, ICV in the UAE & Oman, and Tawteen in Qatar.

Led by an experienced board and visionary leadership, we remain committed to excellence, innovation, and sustainable growth, shaping the future of the chemical industry.
